Necessary supporting documents:

(*) **Students** -> Certificate of attendance at a
School of NTUA program study, or student ID

(**) **Employees**-> Certificate from the Head or
Service or Academic ID

(***) *The formation of an instrument learning group depends on the denoted interest
(number of interested parties).*

*The applicant may choose to learn more than one of the proposed musical instruments,
as long as they number them in order of preference, so that if the first choice does not
attract a sufficient number of interested parties, they could join in another class.*
